

Private Training for SketchUp Google, Inc.

Updated 5/18/2006

Google offers private training for SketchUp. The course content mirrors the public training curriculum, however the course content is adapted to the needs of your office.

Pricing:

Private Training	Half Day	Full Day
1 Instructor	\$2195	\$3895
2 Instructors	NA	\$6295

One instructor may accommodate up to 8 students and two instructors may accommodate up to 16 students.

Ordering and Scheduling:

Contact sales@sketchup.com to order private training. The training will be scheduled within 6 weeks of the order. The training date will be mutually agreed upon.

Facilities and Equipment:

Private training sessions are held on the customer site. The customer must provide the room and the computers.

Primary Contact:

The customer and Google will establish a primary point of contact for the training.
